We have two summer missionaries who will lead our 5-Day Clubs using the “Discovering Jesus” series during our 2025 summer CYIA ministry. We appreciate your prayers as they prepare themselves for this ministry.

As the calendar shows, we will have two Camp GN planning meetings during May and June. We are asking for volunteers to help lead various activities during the week of camp. We are looking for a camp teacher who will lead the Bible lesson and teach the Bible verse for each day. We will need 4 to 5 adult leaders to lead each color team. (this will be determined by how many children we have) Also, we need helpers to assist these leaders; Youth can help; ages 12—17 are qualified. Also, we are needing additional helpers to assist in games, snacks and registration.

If you are interested in any position, please call Virginia Cook, Ministry Coordinator at 717 458-1885
